

CBSE NEWSLETTER SECOND EDITION

From the Principal's Desk

Dear Students, Parents, and Faculty,

It is with immense pride and joy that I address our school community in this edition of our quarterly newsletter. Our journey this past quarter has been nothing short of exceptional, filled with achievements, memorable events, and remarkable growth. Firstly, I would like to extend my heartfelt appreciation to our students for their outstanding performances in the Annual Day programs. Your dedication, talent, and enthusiasm brought life to the stage, showcasing the rich diversity and creativity that defines our school community.

In the realm of sports, our students have displayed incredible prowess and sportsmanship. Their achievements in various sporting events are a testament to their hard work, commitment, and the unwavering support of our coaches and staff.

Moreover, our field trips have provided invaluable learning experiences, allowing our students to explore and discover new horizons beyond the classroom. These adventures fostered curiosity, hands-on learning, and lasting memories.

Let's not forget the triumphs in academic competitions such as the spell bee competition. The determination and diligence exhibited by our students in these intellectual pursuits are truly commendable. Our commitment to academic vigor remains steadfast. Alongside celebrating achievements, it's crucial to emphasize the importance of values in shaping one's life. Our school not only focuses on academic excellence but also strives to instill core values like integrity, compassion, and resilience. These values serve as guiding principles, molding our students into well-rounded individuals capable of contributing positively to society.

I want to express my deepest gratitude to our dedicated faculty and staff for their continuous guidance, encouragement, and unwavering commitment to nurturing our students' holistic development.

As we look ahead, let us continue to inspire, support, and empower each other. Together, let's strive for even greater achievements and create more meaningful experiences that shape the future leaders of tomorrow.

"Success is not the key to happiness. Happiness is the key to success. If you love what you are doing, you will be successful."

With unwavering belief in your potential

Ms. Lalitha. P
Principal - CBSE

MINI HEALTH CAMP

Students from Grades 1-12 actively engaged in a mini health camp hosted at the school in partnership with Health Basix from September 25-27, 2023. This initiative was integral to the school's comprehensive healthcare and wellness programs, offering students dental, eye, and general check-ups. Participants took advantage of this opportunity to gain insights into their physical well-being and address any potential health concerns.

INTRAMURAL SPORTS COMPETITIONS

At our school, intramural sports stand as a beloved tradition. They give students a chance to join sports right here in our community. These activities welcome everyone, whether they're beginners or experts, promoting teamwork and fun competition. With various sports available, students can try different things and find their passions. The supportive atmosphere, where students cheer for one another and lend a helping hand, whether celebrating wins or facing tough times, truly warms the heart.

GANDHI JAYANTI

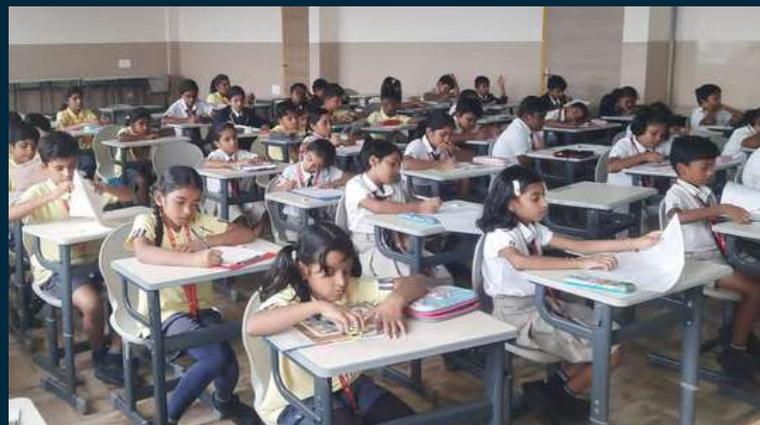

"On October 2nd, we commemorated the birth of Mahatma Gandhi, often revered as the Father of India and a global beacon of peace and non-violence. His profound teachings and principles continue to ignite inspiration worldwide, urging individuals to champion righteousness and advocate for justice and equality. At Manchester International School, we ardently uphold the cherished values propagated by Gandhi. Our commitment resonates with promoting a culture anchored in peace, mutual respect, and inclusivity. We steadfastly believe that education stands as the cornerstone for forging a just and equitable society. Therefore, we remain dedicated to equipping our students with the requisite knowledge and skills, empowering them to emerge as transformative agents of positive change."

We are delighted to share the exciting news that our students recently participated in the International Olympiad exams organized by the esteemed Science Olympiad Foundation (SOF). As part of our commitment to nurturing the intellectual growth and development of our students, this initiative aimed to provide them with a platform to showcase their skills on an international level. The International Olympiad exams, spanning subjects such as Mathematics, English, General Knowledge, Commerce, Social Studies, and Cyber Security for Grades 1 to 12, served as a means to foster crucial skills like problem-solving, critical thinking, and reasoning among our students. The enthusiastic participation of our students in these exams is a testament to their dedication and academic prowess. We believe this experience has not only broadened their horizons but has also equipped them with valuable skills that extend beyond the classroom.

INTERNATIONAL OLYMPIAD EXAMS

We are thrilled to share the successful culmination of our Poster Making Competition, specifically designed for students from Grades 1 to 8. This engaging initiative provided our young talents with a unique platform to exhibit their creativity, artistic flair, and thoughtful insights on a significant theme. The theme for this competition was "Art Reflecting Gandhi's Vision," aiming to inspire our students to delve deep into Mahatma Gandhi's profound teachings and principles. Through their artwork, they had the opportunity to reflect upon and express Gandhi's vision of peace, non-violence, and social harmony. The enthusiasm and creativity displayed by our students were truly commendable. Their artistic interpretations and imaginative representations resonated with the essence of Gandhi's philosophy, showcasing their understanding and appreciation of his legacy.

The Spell Bee competition is an exciting event where participants from Grades 1 to 8 demonstrate their spelling abilities. It serves as a platform that challenges students to master words, expand their vocabulary, and enhance their language skills.

CAREER MAPPING WORKSHOP

We are thrilled to share our recent collaboration with IDP Education for a comprehensive Career Mapping workshop. Designed meticulously, this workshop aimed to empower our students to discern their strengths, interests, and core values, equipping them to carve out meaningful career paths in our increasingly globalized landscape. Guided by seasoned IDP Destination Experts, our students delved into essential facets of career exploration and planning. Key areas of focus encompassed: Self-assessment, Career research, Goal setting, Action planning and Global career trends. Beyond theoretical insights, our students actively immersed themselves in engaging interactive activities and exercises. These immersive sessions facilitated a deeper self-awareness, enabling them to envision potential career avenues in nations such as the United States, United Kingdom, Australia, Canada, New Zealand, and Ireland. This workshop encapsulated our commitment to nurturing holistic development and future readiness among our students. It provided them with invaluable tools, insights, and perspectives, fostering informed decisions as they embark on their global career journeys.

VIDYARAMBHAM: WHERE LEARNING BEGINS WITH JOY

The Vidhyarambham ceremony at Manchester International School was celebrated with great reverence on 24th October 2023. Young learners, accompanied by their parents and relatives, marked the commencement of their formal educational journey into the expansive realm of learning. Vidhyarambham holds profound significance in a child's life. This ceremony not only commemorates the initiation of their voyage into the realm of knowledge but also underscores the paramount importance of education and the invaluable role of educators in shaping their futures. Vidhyarambham stands as a poignant and meaningful tradition, symbolizing the reverence for education and the inherent joy of learning. For many children and their families, this ceremony remains a cherished and memorable milestone.

UNIVERSITY FAIR IN COLLABORATION WITH AUB INDIA

In addition to the Career Mapping workshop, Manchester International School also hosted a University Fair in collaboration with AUB India. This fair offered students a unique platform to engage with representatives from diverse universities worldwide. Attendees gained insights into various programs, admission criteria, and scholarship opportunities from the following institutions: Arts University Bournemouth (UK), Canterbury Christ Church University (UK), Keele University (UK) and RCSI University of Medicine and Health Sciences (Ireland).

On October 18, 2023, Abhishek R. Ganesh, Regional Head of O.P. Jindal University, conducted a session focusing on the evolving landscape of the future workplace and the opportunities available at O.P. Jindal University. The event garnered significant participation from students, faculty, and staff members. Mr. Ganesh delved into the swift transformations occurring in the professional realm and emphasized the essential skills and knowledge students must cultivate to thrive in upcoming years. He underscored the significance of attributes such as lifelong learning, adaptability, and creativity. Following his presentation, an interactive Q&A session ensued, enabling students to inquire about the diverse undergraduate programs offered by O.P. Jindal University.

SESSION ON THE FUTURE WORKPLACE & OPPORTUNITIES IN O.P. JINDAL UNIVERSITY

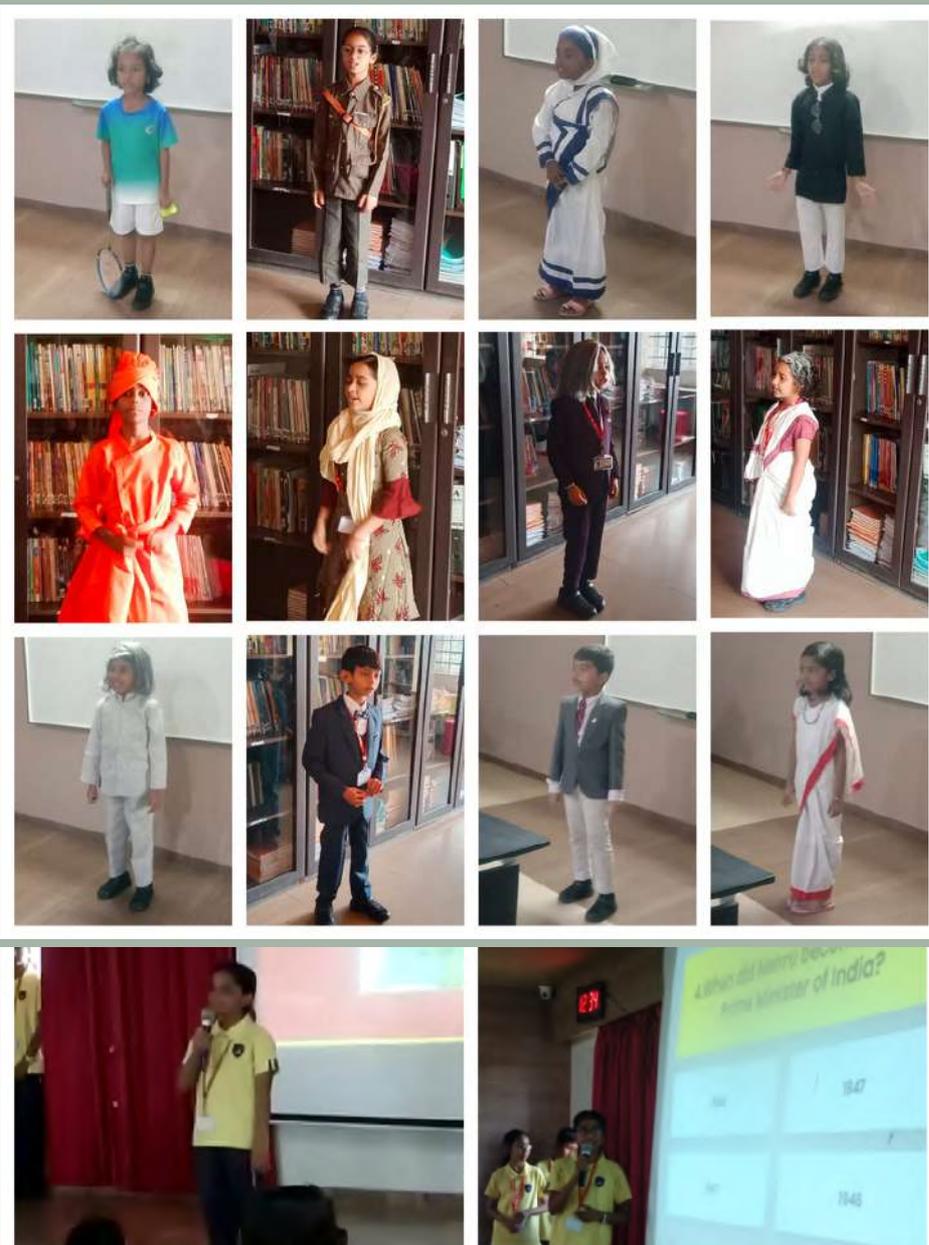

"Forging Futures: Southampton University's Inspiring Visit to Manchester International School"

"The future belongs to those who believe in the beauty of their dreams." - Eleanor Roosevelt. This sentiment aptly encapsulates the narrative of Southampton University's delegation visit to Manchester International School on November 1, 2023. The delegation's objective was multifaceted: to engage with our students, discern their interests and aspirations, and elucidate the opportunities available at Southampton University. Their interactions yielded inspiring moments. Notably, they conversed with Ajay Balaji, a DP 2 student keen on pursuing his undergraduate studies at Southampton. Additionally, the delegation engaged in constructive dialogues with Mr. Rajesh Vasudevan, our Head of School, and other Academic Heads regarding a potential Memorandum of Agreement (MoA). The delegation's visit marked a resounding success, offering invaluable insights and avenues for both students and staff. This collaborative endeavor underscores the transformative potential of partnership and open dialogue in sculpting the educational landscape and preparing our youth for the future. With the expertise and guidance of Southampton University, who can fathom the remarkable achievements awaiting our students from Manchester International School? The horizons are boundless.

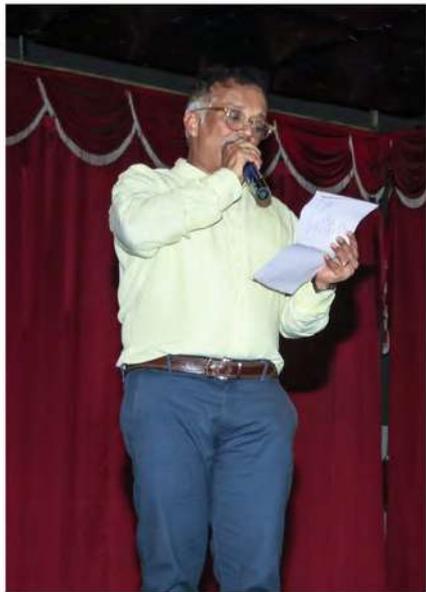

INTER-HOUSE DECLAMATION COMPETITION

We are delighted to share that Manchester International School successfully organized the Inter-House Declamation Competition for Grades 1-5 on October 31, 2023. The essence of a Declamation lies in its unique challenge: participants are tasked with delivering a speech previously rendered by a notable figure, channeling the original emotion, conviction, and rhetorical finesse. Our young orators passionately breathed life into these renowned words, employing a blend of vocal nuances, gestures, and facial expressions to captivate and inspire the audience. It was heartening to witness our students embrace this platform, showcasing their eloquence and stage presence. Their performances resonated with depth, showcasing their commitment and dedication to mastering the art of public speaking.

SCHOOL ASSEMBLY

The Grade 6 assembly took place on 6th November 2023, centered around the theme of 'Children's Day'. Under the guidance of their class teachers, Ms. Nirmala and Ms. Shruthi, Grade 6 students highlighted the importance of this day through various activities, including skits, dances, speeches, and quizzes. Ms. Renuga Selvi enlightened the audience about the significance of Children's Day, emphasizing its connection to Pandit Jawaharlal Nehru, in whose memory the day is celebrated. The assembly was attended by students from Grades 6-9, faculty members, and was graced by the presence of CBSE Principal, Ms. Lalitha.

WORLD CHILDREN'S DAY
A DAY OF JOY AND CELEBRATION AT
MANCHESTER INTERNATIONAL SCHOOL

On 20th November, Manchester International School marked World Children's Day with a vibrant showcase of talent! The day resonated with songs, dances, games, and hearty laughter, encapsulating a memorable experience for all. From the Head of School to the EYP teacher, everyone took to the stage, showcasing their talents for the students. The atmosphere was devoid of inhibitions or ego, embodying pure camaraderie as we celebrated the innocence and creativity of our students. This occasion reinforced the significance of nurturing our children and equipping them with the opportunities they deserve to flourish. The day exemplified the power of positivity and the sheer joy derived from embracing fun-filled moments. We extend heartfelt gratitude to our students for infusing our lives with their innocence and boundless enthusiasm. They remain our most cherished treasures, and the memories forged with them are truly invaluable.

National Unity Day was observed in our school on 31st October, with students from Grade 6 to 10 actively participating alongside the staff members. Both students and teachers pledged to uphold unity, integrity, and the security of our nation. They reiterated their commitment to fostering the unity of our country, aligning with the vision of Sardar Vallabhbhai Patel.

NATIONAL UNITY DAY

PARENTS TEACHERS MEETING

The Parent-Teacher Meeting (PTM) took place on November 3, 2023, covering students from grades 1 to 10. Parents spanning grades 1 to 10 participated in this annual session, focusing on their child's academic achievements and overall growth. Additionally, a specialized PTM was organized in November 2023 exclusively for grades 11 & 12. During this dedicated session, discussions revolved around effective study techniques, key examination dates, and the importance of board exams in shaping students' future paths. Parents were invited to voice any concerns or issues their children might be encountering. In response, teachers offered practical solutions and guidance to address these challenges, encompassing both academic and personal aspects. Parents expressed gratitude for the invaluable advice from teachers and reaffirmed their unwavering support for their children's educational journey.

LEADERSHIP TALK

GOS DESIGN AURA

GOS DESIGN AURA 2023, the largest interschool design carnival, was held at Manchester International School on 23 September 2023. This event promised an enriching and creative experience for our students as well as participants from other schools. It provided an excellent platform for students to showcase their innovative and artistic talents.

The "Leadership Talk" competition took place on 03 November 2023, showcasing students' insights on global issues. Representing each house, three students tackled roles from identifying locally relevant global issues, aligning goals with SDGs, to proposing actionable plans. The event highlighted leadership, critical thinking, and commitment to sustainable development.

The "Leadership Talk" intra-mural literary competition, conducted on 03 November 2023, spotlighted our students' prowess in addressing global issues. Each house nominated three students who seamlessly navigated distinct roles: identifying global challenges with local resonance, aligning objectives with specific Sustainable Development Goals (SDGs), and devising actionable plans. Their presentations spanned critical topics such as climate change and gender equality, emphasizing the nexus between global concerns and local implications. This event not only showcased students' leadership and analytical skills but also underscored their commitment to fostering sustainable development and global citizenship within our school community.

PHOTOGRAPHY WORKSHOP

Manchester International School in association with Black Pearl Production held a photography workshop for students on 9 December 2023. The students had the opportunity to learn essential photography skills from experienced professionals. The workshop provided valuable insights into composition, lighting, and the art of storytelling through images. To showcase their newfound talents, the students participated in a photography competition, capturing stunning moments that reflected their creativity and newfound expertise.

In a thrilling display of youthful energy and exceptional talent, **Shyam Aditya K B**, of Grade 1A, recently participated in the MRF MOGRIP National Supercross Championship Race. The event, which marked the final round of the season 2023, took place on December 10, 2023, at the prestigious venue in Mysore, Karnataka.

His achievement is not only a personal triumph but also an inspiration for aspiring young riders. His journey in the championship reflects the spirit of determination and passion for sports that transcends age barriers.

Congratulations to Shyam Aditya KB on his outstanding achievement in the MRF MOGRIP National Supercross Championship, and we eagerly anticipate witnessing his future accomplishments in the thrilling world of motorsports.

STARS IN THE SPOTLIGHT

Diya P of Grade 12 has accomplished a commendable achievement by securing the Gold Medal in the Taekwondo competition at the CBSE South Zone, Cluster VI event held in Chennai on October 16, 2023, representing Manchester International School, Coimbatore. Additionally, she clinched Gold Medal at the Sahodhaya Inter-School Taekwondo Tournament hosted by Atari Shakthi International School. Furthermore, Diya represented the South Zone at the National level in Noida, where she secured a Silver Medal.

STARS IN THE SPOTLIGHT

Sakshi K Triumphs in Sahodaya's Hindi Creative Writing Competition!

We are thrilled to announce a momentous achievement by one of our talented students, Sakshi K from Grade 8. She has clinched the coveted first place in the Creative Writing Competition conducted by Sahodaya in the Hindi category.

In an exciting showcase of talent and determination, our young badminton enthusiast **Kanishka V N** of Grade 4A has left an indelible mark at the recently concluded under-10 Girls' doubles tournament organized by the Coimbatore Badminton Association. The competition, held from October 5th to October 8th, witnessed Kanishka's remarkable skills on the court as she, along with her partner, competed valiantly against some of the best young talents in the region.

The runner-up title is a testament to her dedication, hard work, and the potential she holds for future badminton championships. Congratulations to Kanishka V.N. for her remarkable performance, and we eagerly await her future endeavours on the badminton court.

The accomplishment of **Mahita Karthik**, an 8A CBSE student, won the under-14 tennis doubles championship at the CS-7 AITA competition, which took place from October 23-27, 2023, at the KGR Tennis Academy in Coimbatore. She won a bronze medal representing Manchester in the CBSE Sahodaya under 14 competition at Chinmaya International School.

In addition to her accomplishments, she gave performances that showcased her extraordinary talents. She participated in AITA matches for the under-14 and under-16 age groups.

Celebrating Excellence and Milestones

STARS IN THE SPOTLIGHT

Our dedicated girls' handball team recently showcased exemplary skills and teamwork, participating in the esteemed Sahodhya Inter-School Handball Tournament. Hosted at Chinmaya International School, this competitive event witnessed spirited performances from numerous schools across the region. Undeterred by stiff competition, our talented team exhibited determination, resilience, and a passion for the sport that truly resonated with spectators. After displaying commendable sportsmanship and tactical prowess in each match, our girls' handball team clinched the 4th position, a testament to their hard work, dedication, and consistent efforts throughout the tournament.

Anjana S Secured Third Place in Sahodaya's Poem Writing Competition! It is with immense pride and joy that we share the outstanding achievement of Anjana S from Grade 9. She has secured the third position in the highly competitive Poem Writing Competition organized by Sahodaya.

Sandeep R, a Grade 10 student at our school, has received a letter of appreciation from the Prime Minister of India, Sri Narendra Modi, for participating actively in the Pareeksha Pe Charcha Program.

The Pareeksha Pe Charcha Program is an annual event in which the Prime Minister interacts with students and parents from all over India to discuss exam-related stress and anxiety. This year's event was held between November 2022 and January 2023 and was attended by over 10 lakh students. Sandeep was fortunate to participate in the event and submit a question to the Prime Minister on how to deal with exam stress and was selected to ask it in person. In his letter of appreciation, the Prime Minister praised Sandeep for his active participation in the event and for his insightful questions.

FIELD TRIP

REGIONAL SCIENCE CENTRE - VISIT

On Monday, 9th October 2023, our enthusiastic Grade 6 students embarked on an enriching field trip to the Regional Science Centre, situated near CODISSIA on Avinashi Road. During their visit, students had the unique opportunity to delve into various exhibits and centers, including the Textile Museum, Science Exhibition, Everyday Science, and the captivating "How Things Work" sections. The highlight of their experience was undoubtedly the immersive 3D Science show and Planetarium, where they were transported into the vast cosmos, igniting their curiosity about the universe. This hands-on experience was not just a day of fun-filled exploration; it provided our students with invaluable insights into the intricate science and technology behind everyday equipment they encounter. By engaging with interactive displays and learning environments, they gained a deeper appreciation for the scientific principles shaping their day-to-day lives. Furthermore, this field trip served as a catalyst, inspiring our young learners to nurture their scientific curiosity and explore the realms of science and technology with zeal and passion in the future.

GASS FOREST MUSEUM - VISIT

On Tuesday, 10th October 2023, our inquisitive Grade 7 students embarked on a captivating field trip to the Gass Forest Museum, nestled near R.S. Puram. The excursion commenced with an enlightening introductory session that delved deep into the museum's rich history, setting the stage for a day filled with discovery. As students traversed the museum's corridors, they encountered a diverse array of preserved animals and birds, each offering unique insights into the wonders of the natural world. Their learning journey continued as they explored various exhibits showcasing different types of woods and their multifaceted uses, alongside a fascinating display of grains and cereal seeds. Beyond the exhibits, this field trip resonated deeply with our students, fostering a profound appreciation for nature's intricacies. By witnessing firsthand the importance of preservation and understanding the delicate balance of ecosystems, they gained invaluable perspectives on environmental stewardship. This experience served as a poignant reminder of our collective responsibility to protect and cherish the diverse inhabitants of our planet.

GD CAR AND SCIENCE MUSEUM - VISIT

FIELD TRIP

On Wednesday, 11th October 2023, our Grade 8 students embarked on a fascinating field trip to the GD Car and Science Museum, located on Avinashi Road. As students stepped into the museum, they were greeted by an impressive display of cars from both Indian and international manufacturers, offering a comprehensive view of automotive evolution. The experience was not merely observational; it provided our students with a deep dive into the pioneering contributions of GD Naidu, a luminary who significantly shaped the Indian automobile industry. Further enriching their learning journey, students ventured into the science museum section, where they engaged with a myriad of exhibits showcasing products from bygone eras. Through interactive displays and enlightening narratives, they traced the transformative journey of various scientific and technological innovations over time. This immersive experience served as a catalyst, igniting curiosity and fostering a deeper understanding of the evolution of automobiles and technological advancements. It encapsulated the essence of innovation, resilience, and the relentless pursuit of excellence, inspiring our young minds to embrace the possibilities of the future.

NAVEEN'S REHABILITATION CENTER - VISIT

As part of their psychology curriculum assessment, students from Grades 11 & 12 of both CBSE and NIOS streams visited Naveen's Rehabilitation Center in Sulur. During their visit, they conducted comprehensive case studies on various disorders. This involved interviewing patients diagnosed with conditions such as Schizophrenia, Bipolar Disorder, Anxiety, Post Traumatic Stress Disorder, Obsessive Compulsive Disorder, Anorexia, and Bulimia. Furthermore, they diligently analyzed the medical reports of these patients and engaged in detailed discussions with the center's psychologists to gain deeper insights into patient data from diverse perspectives. This hands-on experience not only enriched their academic knowledge but also fostered greater empathy and understanding for individuals managing these disorders.

ANNUAL DAY

A FEAST FOR THE SOUL

On December 16th, 2023, the ambiance was alive with the graceful movements of the Juniors to the dynamic energy of the Seniors, offering a visual and auditory treat for all attendees. The day celebrated talent, commitment, and the profound influence of music and emotion. The Juniors presented "Music Adventures," captivating the audience with performances by students from Early Years to Grade 4. Their delicate movements and infectious innocence warmed the hearts of everyone present. Each act, whether a timid step or a confident performance, seamlessly transitioned to the next, culminating in a beautiful showcase of youthful talent. Later in the afternoon, the Seniors enthralled the audience with "Emotions: Feel the Colours of Your Soul." This segment delved deep into the spectrum of human emotions, ranging from subtle grace to intense passion. Every performance echoed with genuine emotion, setting a remarkable standard of excellence. We were honored to have Ms. Kalpana Arvind, Associate Director of LEOS-ISRO, grace the occasion as the Chief Guest. Her inspiring words deeply resonated with students and faculty, leaving an indelible impact. The presence of Chairman Dr. P S Moorthi, Correspondent Ms. Priya Moorthi, and the Head of School further strengthened the sense of community and encouragement that defines our institution.

Girls' Health & Hygiene

Dr. Nancy Jeba Angeline, a caring gynecologist at PSG Hospitals, conducted a special program, focusing on "Girls' Health & Hygiene." It covered essential topics like healthy food, good sleep, understanding the menstrual cycle, and the importance of enjoyable exercise.

Dr. Angeline ensured that girls have the knowledge and tools to take care of themselves in a way that fits into their busy lives. This program reflects Dr. Angeline's dedication to promoting a happy and healthy future for young girls.

In a captivating blend of creativity and science, our Grade 6 students recently embarked on an engaging project centered around the intriguing topic of DIY Paper Circuits as part of their Physics curriculum. This hands-on endeavor seamlessly integrated artistic expression with fundamental circuitry principles, allowing our budding scientists to explore and innovate.

Armed with copper tape, LEDs, and coin cell batteries, our enthusiastic learners rolled up their sleeves to craft simple yet illuminating circuits on paper. This interactive activity not only enriched their understanding of electrical circuits but also unleashed their creativity, enabling them to design unique and glowing masterpieces.

The classroom buzzed with excitement and innovation as students merged their artistic flair with scientific knowledge, resulting in a stunning array of illuminated creations that truly showcased their ingenuity and passion for learning.

DIY PAPER CIRCUITS

SING FOR JOY 2023

We are thrilled to announce our students' exceptional performance at the "Sing for Joy 2023" Christmas Carols Choir Competition at Nirmala College for Women, Coimbatore. Amongst stiff competition from over 15 schools, our talented Grade 4 to 9 students progressed from auditions to earn the prestigious title of grand finalist, marking a momentous achievement and immense pride for our school community.

**CHRISTMAS SPIRIT LIGHTS UP
MANCHESTER INTERNATIONAL SCHOOL!**

On December 22nd, our halls resonated with gratitude, laughter, and festive merriment as we embraced the essence of Christmas. Students adorned classrooms and hallways, crafting vibrant displays that captured themes of gratitude and holiday enchantment. Each brushstroke and jingle bell echoed the spirit of the season. The entire school transformed into a canvas alive with color, as everyone immersed themselves in the festivities. The afternoon unfolded with painting, singing, dancing, and playful activities, filling the atmosphere with infectious laughter and genuine happiness. Our dedicated staff members enthusiastically participated, engaging in lively games and competitions. Their radiant smiles and spirited cheers added to the joyous ambiance. Concluding the celebration, our Head of School conveyed a heartfelt message of appreciation and extended warm wishes for the forthcoming year. Beyond the gifts and festivities, this Christmas gathering epitomized unity, gratitude, and the creation of cherished memories. As we embrace this season, let's celebrate love, laughter, and the endless possibilities ahead. Wishing everyone a prosperous New Year!
